MONTEGRAPPA ... Since 1912

Montegrappa, the **first Italian pen manufacturer**, proudly announces
the return of the original owners, the Aquila family,
to the helm of the company.

Committed to delivering **outstanding products, reliable customer service**
and **better value** to their customers, the Aquilas are honoured to guide
Montegrappa into its second century.

The **passion** of a family that has been at the service of the world of writing
for **three generations** will guarantee **elegant design, superior craftsmanship**
and **painstaking attention to details**.

Above all, Montegrappa will embody **Italian style**.

is an **ambassador** of Montegrappa's philosophy and will be happy to guide
you through its unique collection of fine writing instruments.
