mia

The MIA and MIA Deluxe boast all the hallmarks of Italian writing style. Dynamic, melange textures represent a new form factor for a new decade. Striking colours bring new verve to a familiar shape.

mia

The much-loved silhouette of the Miya returns in a new look at two accessible qualities. Richly textured Montegrappite lends an artistic mood to the MIA and MIA Deluxe.

Expressive contours and balanced proportions define classic Italian design. The MIA's silhouette sits comfortably in the hand, in perfect harmony with a sculptural pocket-clip, but its vivid textures provide the most obvious talking point.

Montegrappite artisanal resin offers a palette of richly marbled finishes. Their exotic fingerprint invokes memories of impressionist oils, rare minerals or the spectacle of India's Holi festival.

A new substance for a new decade: Montegrappite is the result of more than two years' material research. A special, in-house formula provides spectacular, organic colour effects.

Adriatic Sea, Meteor Shower and Spice Explosion are the moods of the open-edition MIA: available as a ballpoint and cartridge/converter-filled fountain pen with steel nib.

The limited-edition MIA Deluxe arrives in two exclusive colours. Sea at Dusk and Chrysocolla feature sterling silver trims, piston-fill and an 18K gold nib, presented in a deluxe wooden case.

Vibrant colouring, compact size and value for money make the MIA and MIA Deluxe accommodating to a wide user base, both male and female.

Textured Montegrappite represents a new direction in aesthetics and sustainability, reinforcing Montegrappa's reputation for bold mechanical and material innovation.

The open edition MIA and limited-edition MIA Deluxe are both handmade in Bassano del Grappa – the cradle of Italian writing culture.

MIA and MIA Deluxe continue an evolution that began with 1999's Classica. Ever since, models like the Extra and Miya have solidified Montegrappa's reputation as masters of 1930s styling.
